

Housing Search Assistance Now Available

Fort Wayne Housing Authority will provide housing search assistance to all voucher holders and income eligible families within the City of Fort Wayne.

How housing search assistance can help

The housing search assistance program is an in-depth, hands-on approach to help voucher holders find a rental home. While in the program, you may be eligible for a variety of resources built to address the challenges that many face during their search for a rental home such as:

- rental screening preparation (credit, rental and criminal history)
- security deposit assistance
- transportation assistance

What resources will be provided?

Dedicated staff will conduct intake assessments, service plans, and case management customized to your needs. Resources will include but are not limited to:

- workshops
- financial counseling and one-on-one guidance
- landlord listings
- community service referrals

How do I apply for assistance?
